P. T. A. HELD MOST INTERESTING MEETING

The Lomita Parent-Teacher Association held the most interesting meeting of the season in the school auditorium Tuesday afternoon with Mrs. A. F. Weiton presiding. After a short business session Mrs. Miller of Los Angeles and chairman of the scholarship department, gave a very interesting talk on the meaning of "Parent-Teacher Association," and also spoke at length on the scholarship work which is being accomplished in her department. The help which is being given unfortunate children along educational lines is wonderful.

The ladies present then had the pleasure of seeing a very interesting moving picture showing the good that is done by the Red Cross, which was very appropriate just at this time.

Mrs. E. A. Tucker rendered two beautiful solos, which were much appreciated by the listeners. This is the first time Mrs. Tucker has sung for this organization, and all hope to have the opportunity of hearing her again soon.

Refreshments of delicious sandwiches and coffee were served by Mrs. Gordon Groves and her committee.
